## Gypsy Soul

Gypsy Soul creates an unforgettable musical landscape that is as rootsy as it is atmospheric and haunting.

Cilette Swann's exquisitely powerful vocals lead, while partner Roman Morykit balances the band's ethereal edge with inspired bass and guitar counterpoint. Their music has been likened to artists such as Sarah McLachlan, Loreena McKinnett and Enya. Check out [www.worldsound.com](http://www.worldsound.com) for further information.
